All relay runners will go to the first shuttle bus meeting location which is located in the north parking lot of the Clarkson GO Station (1110 Southdown Road, Mississauga). FREE SHUTTLE BUSES

Mississauga Transit buses will be used for transporting all 10KM Student Relay participants to their designated start lines along the course, then to the finish to reunite with their team mates and back to where they parked after their race. Please see below for further bus information and our shuttle bus schedule to follow.

- Buses from Clarkson GO will be identified as “Relay Runner A”, “Relay Runner B”, “Relay Runner C” and “Relay Runner D”.
- Be sure to board the correct bus in order to get dropped off at the appropriate relay exchange point, especially if you are a team of only 2 or 3 students.
- Make sure you know in advance which runner is completing the leg before you so you know who to look for at your specific exchange area.
- Buses dropping students off at each relay exchange point will remain on site to bring all arriving relay runners to the finish area i.e. start line for relay runner B will wait for all runner A’s to arrive and shuttle them to the finish area, except for relay runner “D” who completes their relay leg at the official Finish Line.
- Runners will be able to use the bus as shelter at the exchange point before their team member arrives.
- Parents and/or teachers are welcome to accompany students on the relay buses but only if space permits.

BAGGAGE

It is recommended that participants have suitable clothing with them depending on the weather before and after their run. Runners (especially those running the later legs of the course) will be waiting for a period of time prior to their run. In addition, participants who have completed their run will have to wait a short period of time before departing for the finish line.

Please note that the final runner (and other team members) should make arrangements for dry clothing to be at the finish. Runners will need to coordinate with their team members how they will handle their baggage needs on race day. We recommend the following:

- Runner A gives their clothing to Runner B prior to the race so that it is waiting for them at the first exchange point.
- Runner B can leave their clothing at their exchange point with Runner A and run to the next exchange where Runner C will have their clothing...and so on.

T-SHIRTS

All participants will receive a Mississauga Marathon participant t-shirt with their registration in which a representative from your team (that you have pre-arranged) will pick up at the Health & Wellness Expo. If picking up race kits on Saturday, please ensure you are there well before 3:00 PM to ensure you are ready and get to your race start location on time.

TIMING & PRIZING

Timing for the relay will be based on “Gun Time” (from the time the horn sounds at the start line, to the time Runner D crosses the finish line). The team member running the final leg of the course will be responsible for wearing the timing chip and recording the team’s official time for the event. This time will be the time posted on our event website after the race.

Prizes will be awarded to the top three teams in the male, female and co-ed categories in the Elementary Grades 1 to 5, Elementary Grades 6 to 8 category and to Secondary School Grades.

FINISH AREA

- Teams should meet in the finish area after the race.
- The final runner will receive all the medals for all of their team members.
- Awards will start at 7:30 PM.
- There is additional spectator parking and shuttle buses at the Carmen Corbasson Community Centre (formerly known as Cawthra Community Centre) going to the finish line to see the participants finish and enjoy the entertainment.
- The buses will then transport spectators from finish area back to the Carmen Corbasson Community Centre between 6:30 PM and 8:30 PM
