The Tim Hortons Coffee Truck and a BBQ Food Truck will also be onsite for participants and spectators.

A number of participants will be joining the event in celebrating 15 Years Running, having participated in every Mississauga Marathon since year one! Approximately 40 participants will be completing their 15th race at the Mississauga Marathon, a true testament to the value that the event provides both participants and the City of Mississauga. “Having spoken with large group of 15 Year Runners, we’ve seen a recurring theme in why these participants continue to choose the Mississauga Marathon as their Spring running event. The community atmosphere, hometown race and beautiful course are all elements to our event that people take pride in,” said Marketing and Communications Coordinator, Jenna Brown.

With so much positive energy and based on advanced sales, event organizers are capping the number of registrations for the Timbits 2KM Fun Run/Walk and Novo Nordisk® “Hazel” 5KM, with both events close to a sell-out capacity. “We’ve seen a large spike in registrations in the last month, especially in the 2K and 5K events. This means a lot more youth are getting involved with the event and being active, which is one of our goals,” said Peter Milway, Event Coordinator. “Get yourself registered early so you don’t miss out!” Event organizers are encouraging participants to register as early as possible to avoid missing

out on any event distance throughout Race Weekend. Participants may register online at www.mississaugamarathon.com until Wednesday, May 2nd.
